

The Gatwick Airport Contractor Support Centre have listed a selection of their training courses on the AirDAT system, so that contractors/clients can check availability, make bookings 24hrs a day, and manage their staff training online. If you have used AirDAT in the past for other training at Gatwick, you will already know how to make a booking, but for those that are new to the system, here is how you can make all the bookings you need. Help videos can be found at <http://help.airdat.org/>

If you require administrator access to the system to register additional staff and make bookings on their behalf, please contact us at access@airdat.org AFTER registering yourself.

Problems?

AirDAT can help you out with any system problems or queries related to making these course bookings.
Should your question relate to course availability or P2W usage, Please contact the CSC directly on 01293 501 439

By car from M25
Leave the M25 at Junction 7 (signed Gatwick Airport, Crawley and M23). Follow the M23 south towards Gatwick Airport. Leave the M23 at Junction 9 and follow signs for the North Terminal. At the roundabout (Junction 9a) take the second exit continuing on the Airport Way (A23), following signs for the North Terminal. At the Airport Way Roundabout, take the third exit for Longbridge Way and at Perimeter Rd North Roundabout second exit to Northgate.

By Gatwick Express
A regular 30 minute service departs London Victoria Station and arrives at Gatwick Airport Station. On leaving the station at the South Terminal follow signs to the North Terminal via the Transit.

By Train
Gatwick Airport Station also receives services from London Waterloo, London Bridge, Brighton, Redhill, Guildford, Reading, Tonbridge and Tunbridge Wells.

Pedestrian route from the North Terminal.
Leave the Transit and enter the North Terminal on Avenue Level. Take any escalator down to Ground Floor and exit Terminal turning left and straight on to temporary footbridge alongside Terminal Building. Exit stairs down to the 'M' car park following arrows to Northgate.
